Tony (you) wakes up after 2 days of heavy party at Steve's. It's Sunday evening.

You : Hey, sweetie! What's up?

Pepper : Where the hell are you? I've been waiting here for half an hour. I want you here right now. You have only 10 minutes, Tony!!!

**(Pepper cuts the call)**

You (to yourself) : Holy crap! How can I forget the Date! Shit!

(You call your pal, James and ask him to give you the login for his suit as you left your main suit at Steve's party)

**PHONE RINGS – James Rhodes picks up**

James : H-eee-yyy b-uuu-dddy, that party was lit! What are you doing tonight? Let's join Steve again... I'm feeling little diz...

You : Cut the crap and gimme the login for WarMachine. Hurry up!

James : Here take this **random shit** (James sends you a message) and use it to break into my secure system. You'll find the credentials. Well, look, I gotta protect it every time you hack in. Bye Tony and best of luck for the Date!

**(James cuts the call)**

You: Hello, helllloo ??? James? You there? (sighs) Looks like I have no other option. JARVIS show me the message James just sent.
